Programme Objective:

The Department of languages offers Tamil as one of the second language. The objective in providing second language courses for undergraduate programs is to equip students with the ability to effectively express and analyze Tamil language, literature, and culture in a conceptual manner, fostering an understanding of ideas, debates, and ideological affiliations. This approach encourages students to think critically, evaluate arguments, and draw conclusions in a logical and analytical manner. By emphasizing the development of these skills, students can apply their knowledge of Tamil language and culture to various academic and professional settings, making them well-rounded and competitive individuals in the global arena.
